## PROFESSIONAL SUMMARY

Social media manager, content strategist and virtual assistant with 4+ years of experience across beauty, fashion, fitness and wellness brands. I plan and create content, edit short-form video, secure brand collaborations and turn followers into paying clients. With a Mathematics degree, I use performance data to decide what to post next. I work remotely with clients in the US, UK and Canada, and I have led a product launch project from contract review to creative direction.

## KEY SKILLS

- **Content and social media:** content strategy, content calendars, scriptwriting, short-form video editing, UGC creation, community management
- **Growth and partnerships:** lead generation, brand outreach, influencer collaborations
- **Analysis:** reading performance data, market research, using insights to plan the next round of content
- **Operations:** project coordination, contract review, scheduling, client relationship management
- **Tools:** CapCut, Canva, Trello, Instagram Insights, Meta Business Suite, Google Workspace.

## PROFESSIONAL EXPERIENCE

### The Passage Co (remote) — Aug 2026 – Present
**Social Media & Content Strategist**

*I plan, create and publish content for a Canada-based travel planning brand, and turn followers into booked clients.*

- Converted a cold job application into a retained monthly contract.
- Plan the content calendar and publish Instagram Reels and carousels, with captions and scripts.
- Grew account reach from 11K to 33.2K within the first 2 weeks.
- Generated 5 qualified leads in 2 weeks, and 2 became booked clients.

### Classic Skincare — Mar 2026 – May 2026
**Project Lead**

*I led the skincare line's product launch from start to finish.*

- Coordinated photographers, videographers, models and creative directors to deliver the launch shoot.
- Assisted the sales team in securing product distribution across 14+ retail branches.
- Audited 2 brand agreements (Beta Product Tester and Influencer/Brand Ambassador), flagging uncapped deduction clauses and missing dispute-resolution terms before signing.

### Classic Makeup USA — Oct 2025 – Present
**Content Creator**

*I create and edit short-form beauty content and plan the content calendar around product launches.*

- Creat and edit 20 branded beauty videos a month.
- Design content calendars built around themes, calls to action and brand aesthetics.
- Work with the marketing team to line up content with the product launch timeline

**Fitt.Ola (remote)** Mar 2025 – May 2026
**Fitness Influencer Assistant**
*I plan, edit and publish content for a fitness influencer, and support their growth, brand partnerships/collaborations and community.*

- Grew the follower count from 1,890 to 2,914 (+54%) in the final 2 months.
- Assisted in securing an influencer collaboration with Adidas for the Adidas Vibes collection.
- Led awareness efforts and curated a mini fundraiser for the London Marathon in support of Caudwell Youth Charity, raising £2,235 against a £2,000 goal.
- Plan, edit and publish short-form videos and posts on a consistent schedule.

**Abiscentnstuff (remote)** Dec 2024 – Present
**Social Media Virtual Assistant**
*I plan, edit and publish content for a fragrance and beauty page, secure brand collaborations, and research the market to guide what we create.*

- Assisted in securing recurring influencer collaborations with 8+ high-end fragrance and beauty brands, including Valentino Beauty, Swiss Arabian and Bvlgari.
- Research fragrance and beauty market trends to decide what content to create.
- Plan, edit and publish content for the page, with captions and a posting schedule.

**The Wow Brand** May 2021 – Jun 2023
**Social Media Virtual Assistant**
*I planned, created and published content, managed client social media profiles, and supported sales.*

- Managed client profiles and ran sales presentations, using market research to find and convert leads.
- Kept client relationships warm through regular outreach and follow-up, which supported sales conversion.
- Grew site traffic by scheduling and posting consistently on Facebook and Instagram.
- Planned content calendars and created posts, captions and graphics for client pages.
- Replied to comments and messages and tracked engagement to see what worked.
